

HOLY CROSS FAITH MEMORIAL EPISCOPAL CHURCH
Pawleys Island, SC

Position: Full Time Assistant Rector (will consider Senior Seminararian)

As expressed in our parish mission statement, at Holy Cross Faith Memorial we are "Inspired by our heritage, blessed by our diversity, and committed to sharing God's love unconditionally with all." We are a busy and inclusive parish located in Pawleys Island, SC. (Yes, it's at the beach.) A parish of 600+ members, we are a part of the Episcopal Diocese of South Carolina. The parish enjoys stellar leadership, joyful liturgy, and an excellent music program. As a church that focuses on ministry to the community, the church property houses a free clinic, a food pantry with an adjacent garden, subsidized senior housing and a self service blessing box. In addition to the on-campus ministries, the Rector also serves as chaplain to the local fire department and many members of the parish work with the local Family Justice Center to name just a few of our outreach endeavors. Clearly Holy Cross Faith Memorial also enjoys a wide ranging and very active congregation committed to lay ministry. The congregation has doubled over the past ten years and is now fortunate to enjoy an expansive and active ministry and a solid financial foundation.

We are seeking a full time Assistant Rector who will work with the Rector and Vestry to promote the vision and mission of Holy Cross Faith Memorial. The Assistant Rector will share collaboratively in the full spectrum of clergy duties with the Rector, while also working with lay staff and parishioners to carry out the many and various ministries of this vibrant parish. He or she will participate in liturgical leadership and pastoral care ministry, including preaching, celebrating, and home as well as hospital visitations. This individual will also serve as a clergy presence at meetings within the parish, its various outreach entities and other community activities. Other responsibilities may arise as assigned by the Rector. Ideally we seek a candidate who strives to share the love of God with all, and is energetic, creative, flexible, organized, has a sense of humor and recognizes that ministry must belong to the whole church. For further information about the parish, check out our website at holycrossfm.org.
